All Backflow Assembly Testers (BAT) are required to notify the Water Division **a minimum of 24 hours prior to testing.** All certified BAT's, **not included on this list**, must provide a copy of their current BAT certification and test kit calibration certification, and City of Moses Lake Business License to:

City of Moses Lake Water Division;
Attention: Judi Ellis; PO Box 1579; Moses Lake, WA 98837.
Telephone: (509) 766-4169 Fax: (509) 765-1129

All test reports must be sent immediately to the City of Moses Lake Water Division, at the address listed above, for our records.

****The City of Moses Lake Water Division does not recommend or endorse any particular BAT listed above. It is the customer's responsibility to contact a Backflow Assembly Tester. BAT charges vary; therefore, it is recommended that customers obtain a minimum of three (3) price quotes.**
